Accommodation at The Ashley

The Ashley has a relaxed, welcoming atmosphere. Nestled in the heart of leafy Reservoir, close to inner-city attractions, transport and a short walk from the local high street. The Ashley's beautiful spaces are warm and comfortable, and our established community of friendly, fun-loving staff and residents make it a place where people feel connected and included.

Key features

With its lovely landscaped gardens and courtyards, The Ashley is an intimate and homely residence, where everything is always close at hand. Residents here enjoy amenities such as the hairdressing salon, library, open living spaces, inviting activity areas, on-site chef with daily menu choices, and residence transport. From movie nights, group exercise classes, arts and crafts or relaxed walks through the gardens – there's always something to engage with.

To help build close connections with familiar faces, The Ashley is made up of three households, or communities. Each community has its own lounge and dining areas, and its own qualified, caring and devoted staff. This all makes The Ashley a very special place to be.
