**Disclaimers**

\*The payment options provided in this document are all based on the maximum room prices and are not applicable to Government supported customers. A basic daily fee of up to 85% of the Australian single aged care pension will also be payable. Prices are current as of 1 July 2021 but may change at any time. Entry is subject to ACAT assessment and accommodation options are subject to availability. Bolton Clarke encourages all prospective residents to obtain their own independent legal and financial advice. Couple room accommodation pricing is applicable when there are two people occupying a room as a shared room. If your partner leaves the room, the accommodation pricing for the room converts to the pricing of a single occupancy private room.

^The 'combo' payments above are examples and you can choose how much of each portion you would like to pay through discussion and negotiation with the Residential Manager. The community also offers accommodation options for residents who have been assessed as Low Means and for members of couples who wish to remain together in the same room.
